

The Most Advanced HDPE Sheet
Technology for Spinning Cans

25%
MORE LIFE

Exceptional
Value for Spinners

DUO

— Silver Handling Reinvented —

*Eliminates accumulation of static charge
and enhances yarn realisation*

**IMPLEMENTED BY SPINNERS ACROSS
THE GLOBE.**

Specially developed

Interlock Layer Technology
Provides Enhanced Anti Static Property

Anti Scratch Technology
Prevents Sliver Migration

Meld Layer Combination Technology
Provides greater durability, strength and sturdiness

Twin Layer Technology
New Generation HDPE sheet which increases
life of the spinning can by 25%

Anti Static

Anti Scratch

Strong & Durable

Next Gen HDPE

Manufactured In India By :
Rimtex Industries (an ISO 9001:2015 Company)
1514 GIDC, Phase IV, Wadhwan-363035, Gujarat, India.
